Re: Education

Dear Comrade,

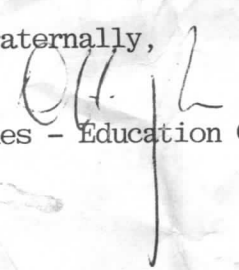

Overleaf, is a diary of the Constituency Education Programme for the coming year.

With the exception of July 13th, the venue for all sessions will be Donaghmede National School (Holy Trinity). The meetings will be held on the 2nd Wednesday of each month and will convene at 8.00pm.

It cannot be over-stressed, the importance of political education, for a developing 'workers' party'. Without it we are lost in the arena of political discussion and debate and unable to articulate our Party philosophy and policy. With it we can build confidence in ourselves, with which we can confront our class enemies, win the arguments and subsequently win the support of the working - class.

I hope you will avail of every opportunity to attend each session and to participate in same. I look forward to seeing you there.

Yours Fraternally,

  
Des Hughes - Education Officer
